

3rd Annual Celebration of Life Gala

Masquerade Ball and Silent Auction

BOYS & GIRLS CLUBS OF ANNAPOLIS & ANNE ARUNDEL COUNTY

The Annapolis chapter of the Virginia Tech Alumni Association is hosting a Masquerade Ball and Silent Auction to benefit the Boys & Girls Clubs of Annapolis & Anne Arundel County (BCGAA). The BGCAA was founded twenty years ago in Annapolis by a group of concerned community members who felt there was a need for neighborhood youth to have a positive place to grow, learn and have fun. Their mission is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

Let's gather together in Mardi Gras style while we raise money to benefit Annapolis and Anne Arundel County Youth!!
