

Our mission: inspire and support kids to become professionals by focusing on enriching education through a balanced program that is fun and educational through four integrated resource centers.

LetsGoBoysAndGirls.org

BOYS & GIRLS CLUBS
OF ANNAPOLIS & ANNE ARUNDEL COUNTY

For many BGCAA members the future holds promise through our **LET'S GO** program

Leadership, **E**ngineering, **T**echnology, and **S**cience **G**enerating **O**pportunities

LET'S GO is a new program that inspires and supports boys and girls to become professionals in technology fields so vital to our country.

Please join us:

Wednesday, February 24th, 2010

The Next Generation Diner
